

Dear Sir or Madam,

We, at the Miracle League, would like to take this opportunity to introduce ourselves to you. "The Jacksonville Miracle League" is a non-profit organization that provides children with mental and/or physical challenges an opportunity to play baseball as a team member in an organized league. There is something about playing the game of baseball that lights up youngsters' eyes, but for children facing physical and mental challenges, that opportunity can often be a difficult first step. The Jacksonville Miracle League gives these children the opportunity to get out in the sunshine, and enjoy playing the game of baseball in its purest form. It is the first of its kind in our area and will serve children in Jacksonville and surrounding cities.

During each Jacksonville Miracle League game, each child is given an opportunity to hit the ball and score a run. Miracle League team members are assigned buddies who assist them in hitting the ball and "running" the bases. Buddies can be fellow schoolmates, parents, college students, business leaders or anyone who wishes to volunteer their time to give a child the gift of baseball. We are in the process of recruiting coaches, buddies and other team supporters. Any level of support you can provide will mean a priceless experience for a child. With your help this dream will come true.

The "Jacksonville Miracle League Field" is located at McGirts Creek Park on 118th street (Westside). This location was chosen so the Jacksonville Miracle League participants would be able to play baseball alongside their brothers, sisters, friends and schoolmates.

We are in the process of putting the finishing touches on a specially equipped baseball field that will give mentally and physically challenged children the recreational opportunity they deserve. Construction of the field required special design, specifications, and detail in order to be accessible to disabled children. The current field is ready to play on and has a synthetic turf that accommodates wheelchairs and other assertive devices while helping to prevent injuries. Fundraising efforts are underway to raise the funds needed to put the finishing touches on the field of dreams. Fan bleachers, lights, scoreboard, "Wall of Fame", dugout gates and flag pole still need to be purchased. The Jacksonville Miracle League plans to have construction complete for opening day this fall.

Several area business leaders have donated their services to the Jacksonville Miracle League. Community and civic organizations are being solicited for support, and individual donations are being accepted. In fact, the Westside Rotary Club, an organization that assists in community projects, especially where children are involved, made the fundraising effort for this significant investment needed to make this "field of dreams" a reality.

We look forward to talking with you in the future. Should you have any questions, please feel free to call me at any time. You can reach me at (904) 509-3800.

Sincerely,

Cary Hanson
President
